F O A M
F U R N I T U R E

All this furniture is a great tool for supporting marketing actions which require an enhanced visual message.

A highly-effective advertising medium, perfect for fairs, promotions and shows.

All models are made of light polyurethane foam to provide maximum comfort and is covered with a high-quality textile material that can be printed on with any graphic design using sublimation method.

For Cube and Roller there is the possibility of modifying sizes, requires quantities and quote separately (ask for an offer).

Beanbag and Sacco consists of seats characterized by perfect appropriable features, and are very comfortable because of special filling made of granules which are able to adjust to the user.
